REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

James Simons Elementary School (JSE) is a Title I school located in downtown Charleston, but temporarily housed in North Charleston awaiting the completion of our new school building. We currently serve children pre-kindergarten to grade six, with an enrollment of 225 students. Our staff holds very high standards for themselves as well as each student. They are passionate about teaching and learning and have created a positive, nurturing school environment. Initiatives underway for continued improvement include 21st Century technology enhancements, a rigorous and differentiated curriculum with an emphasis on small, flexible groups designed to meet children at their learning level and accelerate achievement. Additionally, an enriched mathematics curriculum is implemented daily to expand student numeracy knowledge. Specialized instructional intervention continues to ensure student success. Professional development is an integral part of our school week based on a variety of school data.

Students in all grades have increased literacy and numeracy skills as measured by research-based assessment tools. A Response to Intervention Model (RTI) is fully implemented at JSE. The RTI model resulted in an increase in student performance. Increased student leadership and decision making is in place through Positive Behavior Interventions and Supports (PBIS). The PBIS model is practiced school-wide with student recognition for appropriate choices in and out of school. Our goal for PBIS is to improve immediate behavior as well as to provide students with life skills necessary for positive and productive decision making. Our PBIS model is shared with families to assist with the transition of concepts within the home.

Collaboration with community agencies continues in an effort to provide assistance for specific student and family needs. Parents are provided information and resources to enhance student learning throughout the school year. Communication includes on-going parent sessions, student agenda books, daily homework folder, weekly courier information, monthly calendar of events, newsletters, phone calls, e-mails, report cards, monthly progress reports, notes and conferences. JSE is one of four schools in the Charleston Promise Neighborhood (CPN). The CPN is a nonprofit organization modeled after the highly successful Harlem Children's Zone project and is designed to ensure that every child and family has supports they need to thrive. The goal of CPN is to transform families within a generation. A few of the services provided through CPN include a health clinic, mental health services, and a college culture curriculum.

Continuous effort to increase parental involvement includes vigorously recruiting parents to attend school events, volunteer, and participate in decision-making teams. We believe that community involvement is a vital component of school success and are proud of our committed partners – two universities, several churches, our mayor's office, and four local businesses.
